

10th Joint Lecture Week of RS-APS and HGS-HIRe

APPA Research @ FAIR:

From Fundamentals to Application.

The FAIR collaborations for Atomic-, Plasma-, Bio-Physics and Material Science

27 February — 3 March 2023

Friedrich-Schiller-Universität Jena

Invited Speakers:

Pierre-Michel Hillenbrand (*Atomic Physics*),

Vincent Bagnoud (*Plasma Physics*),

Christian Graeff (*Biophysics*),

Christina Trautmann (*Material Science*)

Registration:

Write a short email to rsaps@hi-jena.gsi.de

or to info@hgs-hire.de, referring to this event.
